

## ULTRA-HERMETIC™ BAG LINER FOR FARM COMMODITIES

# GrainPro® SuperGrainbag® Farm

*A patented Ultra-Hermetic™ affordable bag liner designed for dry farm commodities to extend shelf life for up to one year without pesticides.*

### • Extended shelf life

*Ultra-Hermetic™ liner that is gas and water-tight, available in 25 - 100 kg capacities that allows flexibility to store and sell any time of the year.*

### • “Green” technology

*Certified-for-organic use storage solution that can control and prevent infestation without using chemicals.*

### • Quality preservation

*A patented liner with superior gas and moisture barrier properties that keeps freshness of stored commodities.*

### • Reduce storage losses without chemicals

*Protects commodities from contaminants and inhibits mold growth and prevents losses to allow more grains for sale.*

### • Multi-crop application

*Easy-to-use and able to preserve dry agricultural commodities such as grains, seeds, spices, and pulses.*

### • High-strength PE with gas barrier liner

*Reusable and durable liner resisting penetration of cowpea weevils and larger grain borers.*

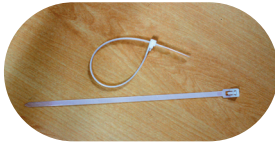

**Also Available:**

**SuperGrainbag® Plus** that comes with a PP outer bag.
