# GrainPro® SuperGrainbag® Premium Liner (Patented)

Formerly called SuperGrainbag IV RT/SuperGrainbag III

*An affordable Ultra-Hermetic™ liner bag that protects dry agricultural commodities against infestation and mold growth, preserves taste and aromatic qualities, and retains high-germination rate of seeds for more than a year of storage without using toxic chemicals.*

- **Quantity and quality preservation**

Superior gas and moisture barrier preserves taste, aroma and quality of dry agricultural commodities.

- **Safe preservation of seed quality**

Stored seeds retain germination rate and vigor.

- **High-value commodity storage**

Highly trusted in the coffee and cocoa industries for its ability to retain freshness.

- **"Green" technology**

Achieves safe preservation and pest control without using chemicals.

- **Cost-efficient solution**

Inexpensive and easy-to-use solution for a wide variety of dry agricultural commodities and high-value crops.

- **Protects against aflatoxin growth in storage**

Controls growth of major public health hazard.
